Instruments for Change: A ProDentUSA Recycling Initiative

Let's close the gap on dental healthcare and spread smiles, one instrument at a time.

Send us any **seven** used hand instruments, regardless of manufacturer, and we will send you one ProDentUSA hand instrument with a minimum purchase of $100. Please note our instrument limit of **35 per business per year**.

1. Call us at 732-390-5532 to receive a Recycling Authorization Code (RAC).
2. Fill out the form below—ensure all fields are complete.
3. Pack sterilized items, and ship to the address above using the carrier of your choice. *Please note: ProDentUSA is not responsible for any lost recycling packages.*
4. Make a purchase of $100 or more – you can do this on our website and enter the RAC in the notes, or you can place your order over the phone.
5. Receive a free hand instrument(s) of your choice.
